In this unique Bible Study, Paulie Rogers takes the reader on a journey of self-restoration with Jesus, while sharing examples of living in a farmhouses, that is in dire of need of it's own restoration, one room at a time. And when the project is finished, our joy is complete

Alejandro Bullón demonstrates that being a disciple of Jesus is more than attending church once a week or reading the Bible occasionally. He proclaims that the lives of authentic disciples of Jesus will not be periodically but continually growing in the image of the Creator God.
